EFFICIENCY COMBINED WITH STYLE.

Characterised by exceptional energy efficiency and extremely reliable technology, the **Pelican 6P** combined cabinet for frozen foods fully satisfies the needs of all kinds of store. Versatile and customisable, it provides a solution that adapts perfectly to all settings.

- Energy efficiency
- Reduced consumption
- Advanced performance
- Top-quality, reliable technology

MAXIMUM PRODUCT VISIBILITY.

Design, lighting and the distribution of internal space have all been chosen to optimise product visibility and enhance presentation. Excellent ergonomics ensure easy access to the products on display while offering customers a premium shopping experience and facilitating the work of store personnel.

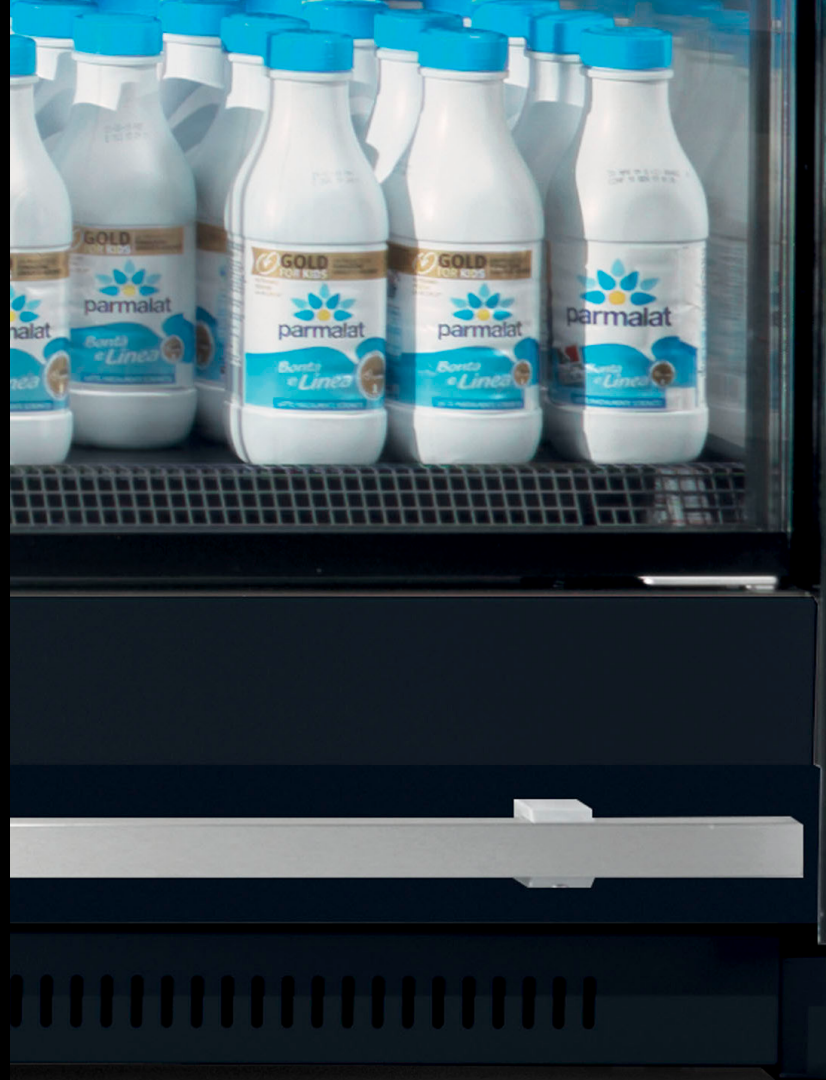

FREEDOM TO CUSTOMISE.

In addition to its modern, linear styling, Pelican 6P also offers extensive customisation options thanks to a range of front panels with painted, laminated or wood finishes. Every store can therefore find the ideal style solution for its own interior décor.

- **Excellent load capacity**
- **Large display surface**
- **Different lengths available**
